INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
George Street Playhouse, Inc.
New Brunswick, NJ

Report on the Financial Statements

I have audited the accompanying financial statements of George Street Playhouse, Inc. (a nonprofit organization) which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of George Street Playhouse, Inc. as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

My audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal and state financial awards is presented for the purpose of additional analysis, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, I have also issued a report dated September 22, 2021 on my consideration of George Street Playhouse, Inc.'s internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering George Street Playhouse, Inc.'s internal control over financial reporting and compliance.

GEORGE STREET PLAYHOUSE, INC.
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2021 AND 2020

(1) **Nature of Organization**

George Street Playhouse, Inc. (the Company) is a non-profit Equity theater in New Brunswick, New Jersey, presenting new and established plays and musicals.

George Street Playhouse, Inc. is a resident company of the New Brunswick Performing Arts Center located at 11 Livingston Avenue, New Brunswick, New Jersey.

(2) **Summary of Significant Accounting Policies**

Basis of presentation

In accordance with generally accepted accounting principles in the United States, the Company reports its financial position and activities on the accrual basis of accounting and according to two classes of net assets: without donor restrictions and with donor restrictions. Revenue with donor restrictions which is expended in the year of recognition is presented as without donor restrictions for financial statement presentation.

Contributions

Contributions received are recorded without donor restrictions or with donor restrictions depending on the existence and/or nature of any donor-imposed conditions.

Grants

Grants received from foundations and corporations are treated as contributions and are recorded as without or with donor restrictions depending on the nature of any donor imposed conditions. Grants which are conditional in nature are recognized when the underlying conditions are substantially satisfied.

Grants received from government agencies are recognized as income when the terms and conditions of each grant award are substantially met.

Revenue

Revenue from performance and educational activities is recognized when the related service or event has occurred.

Certificates of deposit

Certificates of deposit are carried at cost plus accrued interest which approximates fair value.

Cash

For the purposes of the statement of cash flows, cash includes demand deposit accounts in financial institutions.

Property & equipment

Property & equipment with estimated useful lives in excess of one year are capitalized and depreciated on a straight line basis over that life.

Donated materials & services

Donated materials and services are recorded as contributions at fair market value at the date of receipt. Expense values are recorded at an amount equal to the gift in kind contributions, except for capitalized furniture and equipment contributions with a remaining economic life in excess of one year.

GEORGE STREET PLAYHOUSE, INC.
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2021 AND 2020

Functional allocation of expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of functional expenses. Direct costs are charged to production or fund raising. Indirect costs and general support items are charged to general and administrative. Certain costs have been allocated among functions based on the benefit derived.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Concentrations of credit and market risk

Financial instruments that potentially expose the Company to concentrations of credit and market risk consist primarily of cash equivalents and investments. Cash equivalents are maintained at high-quality financial institutions, and credit exposure is limited to any one institution. The Company has not experienced any losses on its cash equivalents. The Company's investments do not represent significant concentrations of market risk inasmuch as the investment portfolio is invested in a certificate of deposit.

Accounting for uncertainty in income taxes

The Company's accounting policy is to provide liabilities for uncertain tax positions when a liability is probable and estimable. Management is not aware of any violation of tax status or exposure to uncertain tax positions that could require accrual or which could affect its liquidity or future cash flows. The Company's exempt organization filings for the years ended June 30, 2018 through 2021 are subject to examination by the Internal Revenue Service and the State of New Jersey. Further, the Internal Revenue Service may examine the Company's financial activities for income and unrelated business income tax for those years.

New accounting pronouncements

The Financial Accounting Standards Board (FASB) issued Update No. 2016-02, *Leases* (Topic 842), in February 2016. Under this guidance, lessees are required to record most leases on their balance sheets but recognize expenses in the income statement. All entities will classify leases to determine how to recognize lease-related revenue and expense. In applying this guidance, entities must also determine whether an arrangement contains a lease or service agreement. Disclosures are required by lessees and lessors to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases. The amendments in this Update are effective for fiscal years beginning after December 15, 2021. Management is evaluating the impact of this updated guidance on its financial statements.

(3) **Certificate of Deposit**

As of June 30, 2021, the Company holds one certificate of deposit of \$200,053 bearing interest at .02% and maturing on January 1, 2022. As of June 30, 2020, the Company held one certificate of deposit of \$200,200 bearing interest at .20% which matured on January 1, 2021.

GEORGE STREET PLAYHOUSE, INC.
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2021 AND 2020

(8) Lines of Credit

Letter of credit - Amboy Bank

The Company maintains a letter of credit in the amount of \$51,700 with Amboy Bank, secured by a minimum in Asset Management Business Account in the same amount. The letter is extended to the Actors' Equity Association to guarantee Equity members a minimum of two weeks' salary in accordance with Actors' Equity Association regulations. The letter expires July 31, 2022.

Line of credit - PNC Bank

The Company maintains a \$300,000 line of credit with PNC Bank to provide for working capital requirements. Amounts borrowed on the line bear interest at .50% below the highest prime rate as published by the Wall Street Journal. Outstanding balances are secured by a \$200,000 certificate of deposit; the line matures on December 12, 2021. As of June 30, 2021 and 2020, outstanding advances were \$0 and \$300,000, respectively.

(9) Small Business Administration Loans

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic which has spread throughout the United States. In response to the pandemic, the United States Congress passed the Coronavirus Aid, Relief and Economic Security Act (CARES) which provides direct economic assistance and loans to business entities. In May 2020, the Company received a loan of \$608,100 under the Paycheck Protection Program (PPP) which is a component of the CARES Act. The loan is repayable over 5 years at a rate of 1%. The Company met the forgiveness criteria for the entire loan balance which was recognized as income of \$421,021 and \$187,079 during the years ended June 30, 2021 and 2020, respectively.

The Company received a second loan in the amount of \$591,550 under the extended Paycheck Protection Program, a component of The Economic Aid to Hard-Hit Small Businesses, Nonprofits and Venues Act (Economic Aid Act) in February 2021. As of June 30, 2021, the outstanding balance is \$286,522, repayable over 5 years at a rate of 1%; \$305,028 was recognized as grant income during the year ended June 30, 2021, having met the forgiveness criteria for that portion of the loan. Management expects to meet the forgiveness criteria for the remaining portion of the loan during the year ending June 30, 2022 and recognize \$286,522 as income during that period.

(15) Net Assets

Board designated net assets

During the year ended June 30, 2021, the Company designated \$255,703 as an addition to the Campaign for George Street Playhouse.

With Donor Restrictions

The nature of net assets with donor restrictions, is as follows as of June 30, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Campaign for George Street Playhouse	\$4,924,136	\$4,777,497
Endowment restricted in perpetuity	<u>336,934</u>	<u>336,934</u>
	<u>\$5,261,070</u>	<u>\$5,114,431</u>

Net assets released from donor imposed restrictions by incurring expenses satisfying the restricted purpose are as follows for the years ended June 30, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Campaign for George Street Playhouse	\$ <u> </u> -	<u>\$768,673</u>

Net assets relating to the Campaign for George Street Playhouse carry donor-imposed restrictions relating to the Company's move from downtown New Brunswick to temporary space and back to the New Brunswick Performing Arts Center.

Net assets relating to the endowment restricted in perpetuity, established in 2002, consist of contributions received with donor-imposed restrictions, specifying the gift is to be held in perpetuity and invested by the Company. The income from the fund is to be expended on operations. The historic dollar value of those contributions must be maintained inviolate. The donor-restricted endowment fund is invested in money market funds and certificates of deposit.

Management has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) to require standard care that is reasonable and prudent over its endowed funds. The Company classifies net assets with donor restrictions to be maintained in perpetuity at the original value of the gifts. Investment earnings on those funds are available for general expenditure.

INDEPENDENT AUDITOR'S
REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Independent Auditor's Report

To the Board of Trustees
George Street Playhouse, Inc.

I have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of George Street Playhouse, Inc., as of and for the year ended June 30, 2021 and the related notes to the financial statements and have issued my report thereon dated September 22, 2021.

Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered George Street Playhouse, Inc.'s internal control over financial reporting (internal control) to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, I do not express an opinion on the effectiveness of George Street Playhouse Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit, I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the organization's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
